

BRAIN AWARENESS WEEK

Alzheimer's Disease: Prospects

Come join us for an insightful and informative public forum about the latest research on Alzheimer's disease, featuring leading experts from four separate segments of the Alzheimer's disease research community.

When and Where:

Saturday, March 15th, 1-4pm

Hunter College, Rm HW714

904 Lexington Ave (between 67th and 68th Streets)

Speakers:

Richard Mayeux, PhD

Director of the Sergievsky Center, Co-Director of the Taub Institute for Research on Alzheimer's Disease and the Aging Brain, Columbia University Medical Center

Howard Fillit, MD

Executive Director, Alzheimer's Drug Discovery Foundation

Thomas McRae, MD

Senior Director, Global Clinical Development Lead, Clinical Sciences Group, GlaxoSmithKline

Christopher Ochner, PhD

Assistant Professor, Icahn School of Medicine at Mount Sinai; Co-author of book "The Alzheimer's Revolution"

Moderator:

Cynthia Duggan, PhD

Associate Director of the New York Academy of Sciences Alzheimer's Disease and Aging Research Program

Guests will have the opportunity to interact with the speakers and other members of the research and professional community after the forum. Light refreshments will be catered.
